Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Sunday 03 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with sunny intervals but cold.

Today:
A largely cloudy and dry day with the western parts of the region seeing some sunny intervals. A few showers for the eastern areas easing during the afternoon. Light winds to develop. Rather cold. Maximum temperature 6 deg C (43 deg F).

Tonight:
Staying rather dry and cloudy during the evening with some clear spells in the west. The odd shower is possible in the east overnight. Wind increasing to moderate. Minimum temperature -1 deg C (30 deg F).

Monday:
Largely dry on Monday with some bright spells, especially in the west. It will be feeling cold, especially in the wind, with coastal gales possible. Maximum temperature 7 deg C (45 deg F).

Outlook for Tuesday to Thursday:
Tuesday and Wednesday will be mostly dry and bright with an easing wind by Wednesday. For Thursday wintry showers arriving from the west overnight. Staying cold.
